

UTAH DEBATE 2012-2013

Policy:

“Be it resolved that the State of Utah substantially increase its support of nuclear electrical generation within its borders.”

Lincoln-Douglas: (Jr. High/Middle School Only)

“In the State of Utah, increased support and use of nuclear electrical generation is more desirable than relying only on existing methods of electrical generation.”

Student-Teacher-Parent Conference

Friday, November 30th, 2012

Mt. Jordan Middle School

(9360 South 300 East Sandy, UT 84047)

General Session 3:30 – 4:00
